United Health Services Hospitals (UHS), the regional leader in healthcare, is seeking two BC/BE Adult Psychiatrists that have completed a three-year Psychiatry residency to join our multi-disciplinary team located in Binghamton and Johnson City, New York for In-Patient opportunities. Candidates must be able to apply and obtain a NYS Medical License and hold a MD degree (foreign equivalent acceptable).

Our Psychiatrists carry an inpatient case load of approximately 12, where patients will likely be in three inpatient units. Units include: a high security unit with 17 beds; a geropsych unit with a strong ECT program for both inpatient and outpatient treatment; and a 22 bed general psych unit which provides stabilization and treatment for patients who are appropriate for a locked, but less secure than the high security unit. Physicians work with an interdisciplinary treatment team for each patient. The behavioral health program staff works as a collaborative team. Psychiatrists, social workers, nurses, counselors and other disciplines work together to plan and deliver care to patients.

There are opportunities for teaching residents and medical students from Upstate Medical University in Syracuse, as well as the ability to participate in clinical research. Competitive starting salary, excellent benefits and malpractice insurance provided.

MISSISSIPPI

Outpatient Psychiatrist

Based in Tupelo, NMMC has a full-time opening for a psychiatrist to practice in an outpatient clinic in Oxford. Enjoy the good life while treating adult patients between 8 a.m. and 5 p.m. weekdays with no call responsibility in a city that is touted as the "Cultural Mecca of the South."

Oxford is known for its rich history and small town charm, as well as being home to the University of Mississippi and the Ole Miss Rebels.

NMMC, a 650-bed regional referral center in Tupelo, is the largest, private, not-for-profit hospital in Mississippi and the largest non-metropolitan hospital in America.

NMMC-Tupelo is affiliated with North Mississippi Health Services, a 2012 Malcolm Baldrige National Quality Award recipient.

Board-certification preferred.

For more information about this practice opportunity, call (662) 377-3882 or email smaxcy@nmhs.net.

CHAIRPERSON, DEPARTMENT OF PSYCHIATRY

Lenox Hill Hospital

Lenox Hill Hospital, the Manhattan tertiary medical center of Northwell Health, is seeking a new Department of Psychiatry Chairperson. This exciting position offers the opportunity to lead and continue to develop an academically-oriented behavioral health center of excellence on Manhattan's Upper East Side.

The Department serves diverse patient populations on its adult inpatient unit, New York State Office of Mental Health (OMH)-licensed outpatient clinic serving adults and children, specialized OMH-supported "On-Track" program for patients experiencing first-episode psychosis, electroconvulsive therapy (ECT) inpatient/outpatient program, consultation-liaison service for Lenox Hill's 600+ medical-surgical inpatients, and emergency psychiatry program which also consults in the affiliated Greenwich Village Healthplex, a unique free-standing emergency room.

A well-regarded training site for rotating psychiatry residents and psychology trainees, opportunities also exist for expanded psychiatric clerkship and elective options for medical students enrolled in our Hofstra Northwell School of Medicine, one of the newest and most progressive medical schools in the country; and for psychiatric nurse practitioner and physician assistant students from our Hofstra Northwell School of Graduate Nursing and Physician Assistant Studies. Interested and qualified candidates may initiate projects in and/or collaborate with Northwell's Center for Psychiatric Neuroscience at its Feinstein Institute for Medical Research and Zucker Hillside Hospital sites.

Through collaboration with Northwell's Behavioral Health Service Line, the Lenox Hill Department of Psychiatry is able to interact with many innovative system-wide activities including emergency tele-psychiatry; a CMS-funded practice transformation network; Northwell's health insurance company, CareConnect, and its care management/population health enterprise, Health Solutions; the behavioral health performance improvement coordinating group, pharmacy and therapeutics committee, and incident review committee; the digital behavioral health technology workgroup; collaborative care models; and an ambulatory provider network, IPA, and behavioral health group practice.

Interested candidates must have or be eligible for a NYS medical license; be ABPN board-certified in Psychiatry; possess consummate leadership skills, program development experience, financial acumen, and a strategic vision to help shape the future direction of a dynamic multi-faceted department; possess an academic portfolio in clinical service delivery, education, or research; be motivated to engage developing value-based payment methodologies and other health care reform initiatives; drive optimal quality, patient satisfaction, and staff engagement indices; and thoughtfully interact with both Lenox Hill and Northwell Health clinical and administrative leaders.

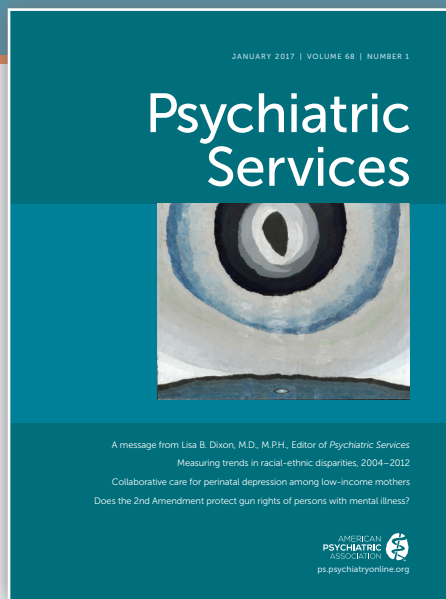

We offer a highly competitive compensation and benefits package. Academic appointment with the Hofstra-Northwell School of Medicine is commensurate with credentials and experience.

For further information and to apply, please contact the Office of Physician Recruitment, Northwell Health: OPR@northwell.edu
