We've Got You Covered

American Psychiatric Association Endorsed Professional Liability Insurance Program

Designed for Psychiatrists in all practice settings

DID YOU KNOW? We find that our policyholders are more likely to receive a board complaint than be named in a claim or lawsuit.

Most insurance policies provided by employers do not include reimbursement for costs incurred to defend a complaint (or have limits that may be shared with others).

Not to worry... we include up to \$50,000 of defense reimbursement – with the option to increase this limit to \$150,000.

What's more, coverage for **Telepsychiatry** is provided, subject to the terms and conditions of the policy.

Cyber Coverage is available as an endorsement at renewal or on a new American Professional Agency policy. Available in most states on an admitted basis.

(All discounts, coverage features and rating are subject to individual state approval.)

Visit us at apamalpractice.com or call **877-740-1777** to learn more.
