

Correction to Lebois et al.

When the article “Persistent Dissociation and Its Neural Correlates in Predicting Outcomes After Trauma Exposure,” by Lauren A.M. Lebois, Ph.D., et al. (doi: 10.1176/appi.ajp.21090911) was published online on June 22, 2022, one of the column headings in Table 4 was incorrect. The table was corrected and the article was reposted online on June 27, 2022.
