# Comprehensive Executive Function Inventory

Jack A. Naglieri, Ph.D. & Sam Goldstein, Ph.D.

## Executive Function Scores You Can Trust!

**The most representative nationally normed behavior rating scale of executive function.**

The CEFI™ provides a comprehensive evaluation of executive function strengths and weaknesses in youth aged 5 to 18 years.

- **Accurate Results:** Normative samples are within 1% of U.S. Census targets for an accurate representation of the U.S. population.
- **Easy to Understand Reports:** Generate three types of dynamic reports including a Comparative Report by comparing results from multiple rater forms (Parent, Teacher, and Self).
- **Strategies for Intervention:** Utilize the CEFI's nine scales to pinpoint targets for intervention.
- **Save Time:** Assess, score, and report from anywhere with the safe and secure MHS Online Assessment Center.
