

There's So Much More to **PSYCHIATRIC SERVICES** Than Meets the Page!

Psychiatric Services in Advance

Latest research reports!

High-Cost Patients in Five Diagnostic Groups

Findings of a study focused on the costliest 5% of VA patients suggest opportunities to refine health care delivery models targeting high-cost patients with psychiatric disorders.

Use of Coercive Procedures in Youth Residential Care

A four-year project to reduce use of restraint and seclusion of youths at New York psychiatric facilities shows promise for dissemination to other residential treatment programs.
