Student Mental Health

A Guide for Psychiatrists,
Psychologists, and Leaders
Serving in Higher Education

Edited by Laura Weiss Roberts, M.D., M.A.

Student Mental Health

is both down-to-earth and aspirational, providing evidence and best practices to ensure greater mental health on campus, while stimulating conversation about how to ensure and optimize the value of higher education through thoughtful, sophisticated approaches to student mental health.

The chapter authors address life transitions and the university student experience, as well as the challenges of caring for university students with mental health issues.

The book has positive strategies, including ways to foster mental health for distinct university student populations.
