

Psychiatry and Clinical Neurosciences

Psychiatry and Clinical Neurosciences (PCN) is the official English journal of the Japanese Society of Psychiatry and Neurology (JSPN), which has approximately 19,000 members.

The journal publishes papers in all fields of psychiatry and related neurosciences, and aims to become a hub of academic exchange between Eastern and Western psychiatrists.

Current Editors-in-Chief are **Tadafumi Kato** of Juntendo University and **Hidehiko Takahashi** of Tokyo Medical and Dental University.

Vol. 78 No. 4 2024

Editorial

- 219 A pragmatic and evidence-based approach to telepsychiatry—let's stop waiting for the future to arrive

Allison Crawford

Regular Articles

- 220 Live two-way video versus face-to-face treatment for depression, anxiety, and obsessive-compulsive disorder: A 24-week randomized controlled trial
